

NEDC FEE SCHEDULE

The three most variable costs with associated with the frozen embryo transfer with donor embryos are the home study cost, the cost of the medications, and embryo donor fees. Home study costs vary from state to state and from agency to agency; medication prices vary depending your insurance coverage and your chosen pharmacy; and donor fees include lab, shipping, and handling costs paid by the NEDC to facilitate the donation of the embryos to the NEDC.

Notes

¹ Fees paid to the NEDC are administrative in nature, not medical. Therefore, they are not covered by insurance or eligible expenses for Flexible Spending Accounts or Health Care Spending Accounts.

² If you are considering ONLY embryo adoption, then a more limited home study such as the Snowflakes Family Evaluation is an additional option you may consider. You can find more information about this option by calling Jenna Baker at 970-578-9700 x226 or jenna@nightlight.org.

*Charge also includes a 3% processing fee.
