OPEN DONATION AGREEMENT

This agreement is made and entered into as of the date set forth below, by and between					
	and		_ (referred to hereafter as		
"Embryo Donors"), and		and			
(referred to hereafter as "Embryo Recipients");					

WITNESSETH

WHEREAS, the Embryo Donors wish to transfer all their cryopreserved embryos (the "Embryos") to the Embryo Recipients for the sole purpose of implantation with the ultimate objective of one or more viable pregnancies for the Embryo Recipients; and

WHEREAS, the Embryo Recipients desire to receive the transferred embryos for the aforesaid purpose; and

WHEREAS, the identity of each party is known to the other parties and the parties wish to agree on certain terms and conditions relative to communication and future contact between themselves and their related offspring;

NOW, THEREFORE, in consideration of the foregoing, as well as the mutual benefit to be derived from herein, the parties hereto agree as follows:

- 1. <u>Transfer of Embryos</u>. Embryo Donors hereby donate, transfer and convey any and all right, title, and interest which Embryo Donors now have or may have in the future in and to the Embryos to Embryo Recipients for the purposes contained herein.
- 2. Informed Consent/Waiver of Liability; Applicable Laws. The parties have each previously signed or agree to subsequently sign an Informed Consent/Waiver of Liability form ("Consent Form") as provided to them by their clinic wherein the risks inherent in transferring, transporting, thawing and implanting cryopreserved embryos are identified, with liability for the same being knowingly waived, as well as liability for any long-term health complications of children conceived or born as a result of the anticipated embryo transfer between the parties. The parties understand that embryo donation is a new, developing and unsettled area of the law and that few states have laws regulating the transfer and implantation of embryos. The general state of the law treats embryos as personal property subject to the ownership rights of the genetic parents or persons or organizations to whom ownership rights have been legally transferred. The parties desire that this Agreement and their Consent Forms shall, to the extent not previously proscribed by law, define their legal rights, duties and responsibilities in connection with the transfer and implantation of the embryos of the Embryo Donors, as well as future communications between the parties. In the event of any conflict between the Consent Forms and this Agreement, the terms of this Agreement shall prevail. Should any subsequent laws be established affecting the transfer of embryos or contact between the parties to an embryo transfer, it is the intention of the parties that such laws not supersede or alter the terms of this Agreement or the Consent Forms, except to the extent required by law.

- 3. (NAME OF CLINIC) The parties recognize, understand and agree that the (NAME OF CLINIC-hereafter known as "CLINIC") which exists for the purpose of facilitating the transfer of embryos between persons such as the parties to this agreement. The role of CLINIC in facilitating the embryo donation between the parties shall not vest in CLINIC any title or ownership interest in the transferred Embryos, it being the sole responsibility of CLINIC to use reasonable efforts to implement the mutual agreements and intentions of the parties as set forth in this Agreement. Each party hereby waives, releases and relinquishes any and all rights, claims or causes of action of any kind, whether known or unknown and whether now existing or occurring in the future, over and against CLINIC and agrees to protect, defend, hold harmless and indemnify CLINIC, its directors, officers, agents, employees and contractors from and against any and all expenses, claims, actions, liabilities, attorney's fees, damages, losses, penalties, fines, and interest of any kind whatsoever (including without limiting the foregoing, death of or injury to persons or Embryos and damage to property) actually or allegedly resulting from or connected with the matters contemplated in this Agreement.
- 4. <u>Shared Information</u>. The parties have and/or will share identifying information with each other. Notwithstanding that fact, however, the parties agree to respect each other's privacy by adhering to the following agreed upon time and manner restrictions concerning post-embryo transfer communication:

a.	any im child(re result of Recipie	o Recipients agree to promptly advise the Embryo Donors of the results of plantation of the Embryos, including the expected delivery date of any en). Upon the birth of any child(ren) born to the Embryo Recipients as a of the implantation of the Embryos transferred hereunder, the Embryo ents agree to notify the Embryo Donors of the name, sex, and birth date of hild. Other information to be shared upon birth (ie: photos, baby footprints)
b.	implan periodi agreen follows	the birth of any child(ren) born to Embryo Recipients as a result of the tation of the Embryos transferred hereunder, the Embryo Recipients may cally provide the Embryo Donors with additional information. If there is nent to provide additional information, such information will be provided as: Frequency of communication between Embryo Donor and Embryo
		Recipients (ie: quarterly, annually, etc.):
	ii.	Information to be communicated (ie: developmental progress, child's activities/accomplishments, medical problems, etc.):

	iii.	Method of communication (ie: internet, photos, letters, etc.):
	iv.	Medium of communication (ie: information to be communicated through a licensed adoption agency, private attorney, or other third party) or directly between the parties:
5.	Embryo Dono Embryo Recip Embryo(s) (ar information in needed by a co	s. The parties understand that genetic medical issues may arise with the rs and/or their genetic children, which would be useful information to the pients and/or the child(ren) born as a result of the implantation of the ind vice-versa). The parties also recognize the value of the exchange of the event that an organ donor or other type of medical assistance may be child or parent of the genetic relationship. Accordingly, the parties agree to ange of medical information, as follows:
	the En	o Donors. The Embryo Donors agree to give the Embryo Recipients and abryo Donors agree to receive from the Embryo Donors any genetic al information or medical needs, as the same arise.
		Yes No
	and th	o Recipients. The Embryo Recipients agree to give the Embryo Donors e Embryo Donors agree to receive from the Embryo Recipients any c medical information or medical needs, as the same arise.
		Yes No
6.	Embryo Reciplegal child(ren State Office of the mother and same relations children, with right of inherit pertaining to a transferred unand no legal rand no such of Donors. Notwithe best interes	tact. The parties understand and agree that any child(ren) born to the bients as a result of an embryo transfer under this Agreement shall be the of the Embryo Recipients. The birth certificate issued by the applicable of Vital Records shall be issued in the names of the Embryo Recipients as the father of the child(ren), and the Embryo Recipients shall bear the ship to such child(ren) as all biological parents do to their biological all rights and responsibilities that arise from that relationship, including the ance. The Embryo Donors shall have no rights or responsibilities any child(ren) born as a result of the implantation of the Embryos der this Agreement, including no legal obligation to support such child(ren) ight to custody, visitation, or inheritance from the estate of such child(ren), child(ren) shall have any inheritance rights in the estates of the Embryo vithstanding the foregoing, and subject to what the parties agree to be in lest of the child(ren) at the applicable time, the Parties agree to contact is selves and/or their genetic child(ren) at a future date, as follows:

Disposition of Unused Embryos. In the event of death, divorce Embryo Recipients or in the event that the Embryo Recipients pregnancy without using all of the Embryos transferred hereur the recipient's clinic that they do not wish to implant any additi agree that all remaining Embryos in any such event shall be trough the property of and may be made implantation in other Embryo Recipients who will undergo the Embryo Recipients.
