

Instructions for Submitting Recipient Biographical Information on the NEDC Website

Letter to Family Donating Embryos

- Remember, this letter is written for the Family Donating their frozen embryos to learn about you and your family. Include enough information about yourselves to get the Donating Families attention. Do not include your full name or identifying information.
- Please include a printout of your letter ONLY if you did not complete one online with your application.

Photographic Prints

- Select three (3) standard-sized (either 3x5 or 4x6) photos (no more) to accompany your profile. We suggest that you include one close-up of you and your spouse mailed in with your paperwork.
- We CANNOT use professional photographs unless we have a signed release form from the photographer or photo studio.

SUMMARY of What You Need to Give to the NEDC Office:

- Hardcopy of the letter to the Family Donating the Embryos if you did not create one online in the biographical section of the application.
- Photographs
- The signed Release of Information Form, giving us permission to publish your information. NEDC will supply you with this form.
- Your contact information, such as your e-mail or daytime telephone number in the event that we have any questions.

If you have any questions, please feel free to contact Kathi Young, RN, Patient Coordinator, at (865) 777-2013 option 1 or nedcptco@baby4me.net.
